(b) Each Commissioner from a City or Town Council also shall have a designated alternate appointed by their respective Councils, each of whom is an Elected Official who shall attend meetings of the Board in the event that the Commissioner is unable to attend. It shall be the responsibility of the Commissioner to inform such Commissioner's designated alternate when such Commissioner is unable to attend a meeting of the Board. The name of each designated alternate shall be on file with the Board. An alternate Commissioner shall assume all rights and duties of the absent Commissioner, except will not serve as Chair or Vice-Chair.

(c) Each Commissioner shall be appointed for a term of four years; however, in order to provide for staggered terms for Commissioners, at the first meeting of the Authority the Commissioners shall be selected by lot to serve staggered terms, as follows: 8 Commissioners would be selected for 4-year terms and 8 Commissioners would be selected for initial 2-year terms. The initial selection shall involve separate drawings by Commissioners from the Board of Supervisors and by Commissioners from the City and Town Councils to determine three Commissioners from the Board of Supervisors and five Commissioners from the City and Town Councils that would serve the initial 4-year terms. All initial terms shall commence as of May 6, 2004 and, subject to earlier removal or termination as provided herein, shall expire on April 30, 2006, as to two-year terms and April 30, 2008, as to four-year terms. Thereafter, terms of office shall commence on May 1 and shall terminate on the fourth anniversary date of such commencement date.

Commissioners shall be appointed for their full terms, subject only to the requirement that they continue to be Elected Officials.

(d) If for any reason a Commissioner is no longer an Elected Official, his or her position shall remain vacant until a successor is named and qualified.

A majority of the Commissioners shall constitute a quorum for the purposes of the transaction of business relating to the Authority, and, except as otherwise provided herein, all Official Acts of the Authority shall require the affirmative vote of a majority of the Commissioners of the Authority. All minutes shall

be archived in the Principal Office of the Authority and shall be posted on the Authority website.

Each Commissioner, except a Commissioner whose term of office ends before January 1, 2007, shall receive training in ethics pursuant to Section 53234 of the Government Code et seq. and every two years thereafter. All expenditures in excess of the designations and limitations of the approved Annual Budget shall be made only upon the approval of not less than a majority of the Commissioners.

106.7 Reimbursement of Expenses. Expenditures for travel, conference, staff development, and business-related activities and reimbursement of Commissioners and Authority employees for such expenditures shall be governed by applicable Authority policies.

106.8 Reports and Audits. The Executive Director or his or her designee shall cause to be prepared by an independent auditor, the annual audit report required by Section 180105 of the Act, and any other financial reports requested by the Board. The Board shall review and approve the audit and any other financial reports.

106.9 Investment of Funds. All funds of the Authority will be invested in the manner and upon the conditions set forth in Government Code Section 53601, and the receipt, transfer or disbursement of such funds during the term of the Agreement shall be accounted for in accordance with generally accepted accounting principles applicable to governmental entities. There shall be strict accountability of all funds, and all revenues and expenditures shall be reported at least quarterly to the Board.

ARTICLE VII

CONFLICT OF INTEREST

107.1 Adoption of Conflict of Interest Code. The Political Reform Act of 1974 (Government Code Sections 81000 *et seq.*) requires all public agencies to adopt and periodically review and update a Conflict of Interest Code. The Conflict of Interest Code contained herein is subject to periodic review and approval by the Board of Supervisors pursuant to Government Code Sections 82011 and 87306.5.

107.2 Designated Positions. The Authority shall adopt a Resolution specifying designated positions, (Commissioners, Citizens Oversight Committee (COC) members, certain staff) that are designated positions and are deemed to make, or participate in the making of, decisions that may foreseeably have a material effect on a financial interest. The Resolution shall specify a disclosure category for each position.

107.3 Disclosure Statements.

(a) This Code does not establish any disclosure obligation for those designated positions, who are also specified in Government Code Section 87200, if they are designated in this Code in that same capacity, or if the geographical jurisdiction of this agency is the same as, or is wholly included within the jurisdiction in which those persons must report their financial interests pursuant to Article 2 of Chapter 7 of the Political Reform Act, Government Code Sections 87200 *et seq.* Such persons are covered by this Code for disqualification purposes only.

(b) Designated positions shall be assigned to one or more of the disclosure categories set forth in Section 107.7. With the exception of those designated positions who are exempt pursuant to subsection (a), each designated position shall file an annual statement disclosing that person's interest in investments, real property, business positions, and income, designated as reportable under the category to which the person's position is assigned.

107.4 Place and Time of Filing.

(a) All designated positions required to submit a statement of financial interests shall file the original with the Executive Director of the Transportation Authority of Marin.

(b) All designated positions on the effective date of this Code, as originally adopted, promulgated and approved by the code reviewing body, shall file statements within thirty days after the effective date of this Code. Thereafter, each person already in a position when it is designated by an amendment to this Code shall file an initial statement within thirty days after the effective date of the amendment. Designated positions appointed, promoted, or transferred to designated positions shall file initial statements within 30 days after the date such appointment, promotion, or transfer becomes effective.

(c) Annual statements shall be filed during the month of April by all designated employees. Such statements shall cover the period of the preceding calendar year. Closing statements shall be filed within 30 days of leaving a designated position. Such statements shall cover the period from the closing date of the last statement filed to the date of leaving the position.

(d) A designated position required to file a statement of financial interest under any other agency's conflict of interest code, or under Article 2 of Chapter 7 of the Political Reform Act for a jurisdiction contained within the territorial jurisdiction of this agency may comply with the provisions of this Code by filing a duplicate copy of that statement and an expanded statement which covers reportable interests in that portion of this agency's jurisdiction which differs from the jurisdiction described in the other statement.

107.5 Contents of Disclosure Statements. Disclosure statements shall be made on forms supplied by the Marin County Elections Office and shall contain the following information:

(a) Contents of Investment and Real Property Reports:

When an investment or an interest in real property is required to be reported, the statement shall contain:

- (1) A statement of the nature of the investment or interest;
- (2) The name of the business entity in which each investment is held, and a general description of the business activity in which the business entity is engaged;
- (3) The address or other precise location of the real property;
- (4) A statement whether the fair market value of the investment or interest in real property equals or exceeds two thousand dollars (\$2,000) but does not exceed ten thousand dollars (\$10,000), whether it exceeds ten thousand dollars (\$10,000) but does not exceed one hundred thousand dollars (\$100,000), or whether it exceeds one million dollars (\$1,000,000). This information need not be provided with respect to an interest in real property, which is the principal residence of the filer, or any other property that the filer utilizes exclusively as the personal residence of the filer.

(b) Contents of Personal Income Reports:

When personal income is required to be reported, the statement shall contain:

- (1) The name and address of each source of income aggregating five hundred dollars (\$500) or more in value, or fifty dollars (\$50) or more in value if the income was a gift, and a general description of the business activity, if any, of each source. In the case of a

gift received through an intermediary, the name, address, and business activity of both the donor and the intermediary must be disclosed;

(2) A statement whether the aggregate value of income from each source, or in the case of a loan, the highest amount owed to each source, was at least five hundred dollars (\$500) but did not exceed one thousand dollars (\$1,000), whether it was in excess of one thousand dollars (\$1,000) but was not greater than ten thousand dollars (\$10,000), or whether it was greater than one hundred thousand dollars (\$100,000);

(3) A description of the consideration, if any, for which the income was received;

(4) In the case of a gift, the amount and the date on which the gift was received;

(5) In the case of a loan, the annual interest rate and the security, if any, given for the loan.

(c) Contents of Business Entity Income Reports:

When income of a business entity, including income of a sole proprietorship, is required to be reported, the statement shall contain:

(1) The name, address, and a general description of the business activity of the business entity;

(2) The name of every person from whom the business entity received payments if the filer's pro rata share of gross receipts from such person was equal to or greater than ten thousand dollars (\$10,000) during a calendar year.

(d) Advance or reimbursement for travel:

When a payment, including an advance or reimbursement, for travel is required to be reported pursuant to this section, it may be reported on a separate travel reimbursement schedule which shall be included in the filer's statement of economic interest. A filer who chooses not to use the travel schedule shall disclose payments for travel as a gift, unless it is clear from all surrounding circumstances that the services provided were equal to or greater in value from the payments for the travel, in which case the travel may be reported as income.

(e) Contents of Business Position Reports:

When business positions are required to be reported, designated positions shall list the name of each business entity in which they are a director, officer, partner, trustee, employee, or in which they hold any position of management, a description of the business activity in which the business entity is engaged and their position with the business entity.

(f) Initial Statement:

The initial statement filed by a designated position on the effective date of this code shall disclose investments, business positions and interests in real property held on the effective date of this code and income received during the 12 months before the effective date of the code. Thereafter, persons appointed to a designated position shall disclose any reportable investments, business positions, and interests in real property held on, and income received during the 12 months before, the date of appointment.

(g) Acquisition or Disposal During Reporting Period:

In the case of a statement filed under Section 107.4(c), if the investment, or interest in real property, was partially or wholly acquired or disposed of during the period covered by the statement, the date of acquisition or disposal.

107.6 Disqualification. Designated positions must disqualify themselves from making or participating in the making of or using their official position to influence the making of any decisions in which they have a reportable financial interest, when it is reasonably foreseeable that such interest may be materially affected by the decision. No designated position shall be required to disqualify himself/herself with respect to any matter with respect to which such designated position's participation is legally required for the action or decision to be made. The fact that a designated position's vote is needed to break a tie does not make his or her participation legally required for purposes of this section.

107.7 Disclosure Categories. An investment, interest in real property, or income is reportable if the business entity in which the investment is held, the interest in real property, or the income or source of income may foreseeably be affected materially by any decision made or participated in by the designated position by virtue of the person's position.

(a) Designated Positions in Group "1" Must Report:

All investments, interests in real property and income, and any business entity in which the person is a director, officer, partner, trustee, employee, or holds any position of management. Financial interests are reportable only if located within Marin County or if the business entity is doing business or planning to do business in the County (and such plans are known by the designated position) or has done business within the County at any time during the two years prior to the filing of the statement.

(b) Designated Positions in Group "2" Must Report:

Investments in any business entity and income from any source and status as a director, officer, partner, trustee, employee, or holder of a position of management in any business entity, which, within the last two years, has contracted, or in the future foreseeably may contract with the Transportation Authority of Marin to provide services, supplies, materials, machinery, or equipment to the Authority.

107.8 Contracts Between TAM and Former Board Members. For a one-year period after separation, a former TAM Board member may not enter into or participate as a subconsultant to a contract with TAM in a subject area in which he or she engaged in any part of the decision-making process while on the TAM Board.
