

Hi Dianne D. Thank you so much for purchasing a Gravity Forms license. We're very glad to have you as a customer :) You're probably eager to start making forms right away so we just sent you a welcome email to your larry@marketingmachine.net email address with your license key & download instructions. Please take a few minutes to read the **entire email message** as it contains a lot of important information to get you started.

Your Gravity Forms License Key is below. Please be sure to **print it** or write it down and keep it in a safe place. You will also receive this key in your welcome email message. (If you don't see your key below, please **contact us** and we will be happy to confirm your account creation and make sure you receive your key as quickly as possible.)

Gravity Forms License Key for Dianne D Zellers

account email (for support login): larry@marketingmachine.net

Starting today, you will receive **one calendar year** of access to Gravity Forms plugin file downloads, Basic Form Add-ons, automatic product updates & upgrades, online documentation & our email based support ticket system. If you purchased a Developer License, then you will also have access to our Priority Support* channels and our Premium Form Add-ons*.

To access our support resources, first please **create an account** using the **same email address** you used to make this purchase (larry@marketingmachine.net) then **login** at www.gravityhelp.com to access the member-only content. If you use the **same email address you used to make this purchase**, you will automatically be granted access to the support forums, product documentation and current plugin version downloads.

To enable automatic plugin updates for your site, please enter the full 32 character license key listed

above (you will also receive the key via email) on the Gravity Forms settings page in your WordPress admin.

Please note: The download link you receive will remain active for 5 days following your purchase or for 5 download attempts - whichever comes first. After that, you can always download the plugin files directly from our support site at <http://www.gravityhelp.com/downloads/>.

Thanks again and happy form building!
