 - Introduce New and Modified Alternatives
 - Review and Summarize Benefits and Impacts of All Alternatives
6. Public Comment (10 minutes)
7. Next Steps and Preparation for Virtual SWG Meeting #6 (5 minutes)
8. Adjourn

Zoom Meeting Protocols

We are pleased to be convening the Stakeholder Working Group and continue our interaction regarding this important local project. We recognize that the Zoom format is not ideal but will allow us to form a better understanding of community interests and priorities. SWG members and the project team will attend the Zoom Webinar as panelists and will contribute comments throughout the meeting. The public will be able to listen to the meeting, ask clarifying questions during the presentation, and provide comments during the public comment agenda item.

Here's how to participate:

Meeting Host will:

1. Place everyone on **MUTE** and keep everyone on **MUTE** to reduce background sounds and distractions.
2. Public participants may ask clarifying questions throughout the meeting via **CHAT to Panelists feature** and the project team will do their best to address them during the meeting.

To Make Public Comments

There are several ways to make public comments during the meeting:

1. During the "Public Comment" period noted on the agenda, if watching the meeting online, please use the **RAISE HAND** feature and the Meeting Host will call on you and unmute you so you can make a comment. We will limit comments to 3 minutes. The RAISE HAND feature is located on your Zoom controls toolbar. On a phone, the RAISE HAND is accessed by pressing *9.
2. Public comments may also **be submitted in advance** to marin101-580@tam.ca.gov.

Requests for special accommodations (assisted listening device, language interpreters, etc.) should be directed to Denise Merleno at 415-226-0820 or email: dmerleno@tam.ca.gov, no later than 24 hours before the meeting time.
